

**Notice of re-extension of the suspension period of MANGEKYO Performance FY2020
due to prevention of spread of new-type coronavirus infection**

As the JTB Group's policy for the prevention of the spread of the new-type coronavirus infection, this performance has been canceled for the period from April 1 (Wednesday) to May 31 (Sunday). In response to the government's extension of the declaration of a state of emergency on May 4 and in view of the current national situation, and since the surrounding environment is not ready for holding the performance while avoiding the "Three Cs (Confined spaces, Crowded places, and Close contact)" etc., this performance will be suspended for the time being in order to give top priority to ensuring the safety of the customers, performers, and management staff. Regarding performances in FY2020, we will inform you again on the official MANGEKYO website, social media, etc., considering the situation around mid-June.

In addition, we will refund the money for all tickets for the following period.

Please be sure to keep your ticket to hand, as you will need it when we process the refund.

Refundable period in FY2020: from April 1 (Wed) to June 29 (Mon) (all 125 performances)

■ About refund information

◎Customers who purchased tickets from the official MANGEKYO website and theaters

For details on refund procedures, please visit the official MANGEKYO website by Tuesday, May 19.

◎Customers who purchased tickets from domestic play guides and overseas sales sites

For details on refund procedures, please directly contact the sales site from which you purchased your ticket, as the refund procedures are different at each sales site.

We would like to thank all the customers who were planning to enjoy this performance for your understanding for the current situation and our decision.
